## DINNER PACKAGE OPTIONS

"It all began with an A&W root beer stand. Founder J. Willard Marriott and his wife, Alice, got their young business off the ground by quenching people's thirst during Washington D.C.'s hot, muggy summers [in 1927]. Good food and good service at a fair price became a guiding principle for Hot Shoppes restaurants--and for Marriott International as it grew." With that, we are so excited to bring you a first-class menu inspired by our roots.
